Re: 11-cr-623 (S-1) (JG)

Dear Judge Gleeson

On April 22<sup>nd</sup> I was transferred to MAC Brooklyn as status "Writ". Due to your judgement on October 2<sup>nd</sup> my conviction was overturned. However, in BOP my status still appears as "Writ" which unables me to receive my property (clothes and legal work) from FCI Fairton.

In my meetings with my case manager he informed me that the status "Writ" will not be changed unless you get another conviction or get release "That's the policy".

Also he advised me to address this issue to you or AUSA, as the only one's for the solution of this problem.

I, kindly, would like to request from your side to issue an order to FCI Fairton to transfer my property to MDC Brooklyn.

This issue is very important for me, due to legal works which exist in my property, which would helped me a lot to study my case in pretrial.

I look farward for your help.

Thank you for your time in this matter.

Respectfully
